Position Title: Graduate Assistantship – Hispanic/Latino Resource Center

Description: The Graduate Assistant will promote the mission, vision, and programmatic activities of The Hispanic/Latino Resource Center (HLRC) – namely to encourage unity within the SIU Latino community by sharing resources and spearheading programming that promote cultural affirmation, academic success and community engagement.

Responsibilities: To promote the Hispanic/Latino Resource Center; to help coordinate and implement HLRC’s programs and day-to-day operations with special emphasis on peer mentorship and leadership development; to help coordinate and implement Hispanic Heritage Month; to support other CIE units as needed.

Qualifications: Must be admitted into graduate school in order to be considered; must demonstrate excellent intercultural and interpersonal communication skills; must demonstrate familiarity with issues affecting Latinos in higher education; must be self-directed and have good organizational skills; experience mentoring and doing leadership development with Latino/a students a plus; ability to plan events, facilitate meetings, conduct research, and familiarity with social media preferred. Spanish fluency a plus but not required.

To apply: Submit a cover letter, names of three references, & resume to: rfpoitEvin@siu.edu.

Compensation: $744/month for Fall semester with possible renewal for Spring 2016; plus 100% tuition waiver for in & out of State residents.
