

## Message from the Dean of Students:

The summer is flying by and SIUC staff, faculty and administrators are working hard to create a safe and welcoming campus for your students this fall. We know that things will look a little different than they have in the past, but rest assured we have your student's health and well-being in mind as decisions are made to keep everyone safe. If you have not already seen our Plan for Fall 2020 website, please visit [siu.edu/coronavirus/fall2020/](http://siu.edu/coronavirus/fall2020/). ### Hire a Saluki!

The Career Development Center hosts two Job and Internship Fairs annually (one each semester). The fall fair will be held virtually this year and is scheduled for Tuesday, September 22 from 10 a.m. – 4 p.m. The fair is open to all majors. Students can access the event from their [Hire a Saluki](#) (powered by Handshake) account using their SIU dawgtag and network password. Students will be notified when registration opens for the fair. In the meantime, students should activate and complete their profile on Hire a Saluki – the ultimate career networking and employment recruiting platform for college students and alumni. The platform is loaded with opportunities including on-campus student employment postings, internship opportunities, and virtual events hosted by employers across the country. Contact the Career Development Center with questions. ### **Is your student a transfer student?**

### **Will your student be commuting to campus while living at home?**

If you answered yes to either of these questions, you need to know that SIUC considers your student to be a Non-Traditional student due to the unique experiences they will have. The staff in the Non-Traditional Student Services office is here to serve as an advocate for your student while also providing services and programming specifically for transfer and commuter students. Non-Traditional Student Services (NTSS) will be outreaching to all new transfer and commuter students at the beginning of the Fall 2020 semester, but we know that students are often overwhelmed with the amount of information they receive during that time. We hope you will help us by talking with your student about NTSS to ensure that they know there is an office on campus that can help them! Please visit our website at [nontrad.siu.edu](http://nontrad.siu.edu) to learn more or give us a call at 618.453.7521.

### **Student Parking Permits**

Parking permits for residential students and commuter students can be purchased now before coming to campus. Please visit [parking.siu.edu/on-campus/](http://parking.siu.edu/on-campus/) for more information.

### **FERPA for Parents/Guardians**

For more information on how to access student records such as academic records, grades, student bill, enrollment verification, etc. visit this website: [registrar.siu.edu/releasestudentinfo/ferpa.php](http://registrar.siu.edu/releasestudentinfo/ferpa.php).

### **Health insurance Information**

SIU requires all on-campus students to have health insurance. To meet this mandate, all students taking on-campus courses will be billed the student health insurance fee. Students who already have comparable health insurance coverage may waive the fee by completing the fee waiver process prior to August 28, 2020. You can find more information online: [shc.siu.edu/health-insurance/](http://shc.siu.edu/health-insurance/).
